

Enhanced allocation rates for new customers

Please request for your financial adviser representative to explain the contents of this document to you.

Special offer for new Global Wealth Advance customers.

Offer period – **1 October 2023 to 31 December 2023**

Individuals taking out new Global Wealth Advance policies can enjoy enhanced allocation rates of up to 160% over the first 18 months worth of contributions.

Example

When a new individual takes out a new policy with a savings term of 20 years paying a monthly premium of **SGD 4,500** (USD 3,000). They will benefit from a monthly allocation of **SGD 7,200** (USD 4,800) over the first 18 months under this special offer.

Monthly premium	Enhanced monthly allocation	Total monthly allocation
SGD 4,500 (USD 3,000)	SGD 2,700 (USD 1,800)	SGD 7,200 (USD 4,800)

That means, with this special offer, **SGD 129,600** (USD 86,400) will be allocated over the first 18 months, equivalent to an additional **SGD 48,600** (USD 32,400), compared to the total premiums paid over the same period.

Full details of the enhanced allocation rates for all premium bands and savings terms are detailed in the table below.

Further charging points may apply. Please refer to the policy conditions for more information, a copy of which are available upon request.

Important information

This document should not be read as an invitation to invest and should be read in conjunction with the Global Wealth Advance brochure, product summary and product highlight sheets, which are available on our website (www.fpinternational.sg).

Global Wealth Advance is intended for medium to long-term investment and is not therefore designed for early surrender. If you do surrender early, a surrender charge will be applied and the amount payable to you may be zero or less than the total premiums paid.

Please bear in mind that fund prices may go up and down depending on the underlying investment performance or, where investments held within a mirror fund are not denominated in the currency of that mirror fund, simply because of movements in the currency exchange rates. The value of your investment is not guaranteed and you may get back less than your initial investment.

We recommend that you read the relevant materials carefully (including the product summary and product highlights sheets) and discuss fully both the suitability of Global Wealth Advance and the specific risks associated with individual investments with your financial adviser representative before making any investment decisions.
